Dear Parents and Friends:

We, as a faculty, staff and administration, thank you for entrusting your children to our care!

Grace Christian has so much to offer: excellent teachers, top-notch technology, quality programs like music and drama, and all of it in a safe, nurturing Christian environment. I know your children will benefit from this strong academic and Christian foundation as they move on to high school, college, and beyond. We hope you will choose to continue the journey with us!

In order to continue providing a quality program, with excellent teachers, that is also affordable in our current economic climate; the Administrative Council has spent the last two months looking at different levels to set tuition. In considering the new tuition rates there are many important areas that need to be addressed. A few of which are teacher and staff salaries (which have not been adjusted in two years), employees' health coverage, and raising costs of operations

Attached to this letter are Tuition and Extended Care Rates for the 2018-2019 school year. We are modestly increasing our base tuition rates \$300 annually, or \$21 per month. Our tuition rate is still "all inclusive" (which includes: child's Friday T-shirt, Yearbook, Earthquake/Disaster Prep Kit, Curriculum Materials, and Assignment Book (4-8 grade). To aid in planning our staffing for next year, we are encouraging your family to enroll early. We are offering a discounted enrollment fee if you enroll in February or March. (See the attached confirmation form for details on how to complete this process and receive the discount.) The only other expenses throughout the year will be personal supplies (list provided in summer), field trips, hot lunch, Homework Club (2-8 grade), and sports (middle school).

Our rates for Extended Care plans will have a modest increase as well. The majority of the increase is to cover the cost of California's new minimum wage rate. We strive to provide a quality program that is affordable for families. Our Unlimited Plan rate for next year is still \$125 per month, which did not increase for this year.

Enrollment for incoming kindergarten students will start at our **Kindergarten Preview Night on Wednesday, February 15th at 6pm.**

Enrollment /Reenrollment for 1st-8th grades will start the night of **Preschool-8th grade Open House on Thursday, February 22nd at 6pm.**

Please also note that in order to re-enroll, your financial account with the business office must be in good standing.

Your special delivery envelope also contains an enrollment flyer. Please share it with a friend. We look forward to seeing you at our Open House!
