

## Free Educational Resources for Kids

- [Khan Academy](#)
- [List of educational resources being offered for free](#) (K-12)
- [Amazing Education resources for kids at home](#) (big list!)
- [Scholastic Learn at Home](#) - projects organized by grade
- [Swing Education: 20 Online Learning Resources](#)
- [Modulo's list of online resources \(broad set incl UK resources like BBC Learning and Seneca for GCSE+A level, plus STEM resources like Nat Geo & comp sci\)](#)
- [Teacher Created Materials](#) is offering many free lessons with worksheets, organized by grade
- [Mystery Science](#) for engaging kids in science
- [PBS](#) has some good activities

### Free activities for kids

- Video chats
  - With family and friends
  - Ask other parents from school if the kids can video chat with each other so the kids can stay connected with their school friends
- Outside ideas: biking, hiking, sidewalk chalk, fly kites
- [Giant list of ideas via princess awesome and boy wonder community](#)
- Toddler and preschool
  - [Hands on as we grow](#)
  - <https://busytoddler.com/>
- LEGOs: All ages! Watch [LEGO Masters](#) for inspiration.
- Make a book or journal: Take a few pages (staple, fold, compile into binder). Ask kids to design covers; give daily prompts to draw or write.
- Set up a “work from home” station for kids to emulate parents working from home. Challenge them to draw, paint, color or “work” on play laptops with one another for the duration of a 30 minute call.
- Virtual tours / field trips
  - [30 virtual field trips](#)
  - [Home Safari with the Cincinnati Zoo](#) (3pm EST daily starting 3/16)
  - [Museum virtual tours](#)
- [Podcasts for kids \(common sense media\)](#)
- [Storyline online - actors read children's stories](#)
- [50+ would you rather questions](#) (ages 6+)
- [STEM projects](#) (ages 9-10)
- [Raspberry pi projects](#)
- [Board games for kids \(Wirecutter article\)](#)
- [Story pirates podcast](#)
- Yoga for kids ([cosmic yoga](#))
- Music and dance ([GoNoodle](#))
- Learn a new language ([Duolingo](#), ages 10+)
- 20 Screen-free activities ([Saved You a Spot](#))
- Fun Science ([The Fab Lab](#))
- [KidLitTV](#)
- [Language arts and music](#)
